

Horticulture Field Lab, U of SK

Below are Google Maps and Google Earth versions of the location of our Horticulture field lab. The phone number there is (306)978-8316. There is only one entrance on 14th street, near the building. A large green “Horticulture” sign is posted on the gate near the entrance. The address is 2909 14th street.

Parking is limited. For workshops and our plant sale, visitors need to park on 14th Street. For small meetings, visitors can use our parking lot.
